

Utah Department of Environmental Quality Division of Solid and Hazardous Waste Fact Sheet

August 2014

Draft Hazardous Waste Permit for EnergySolutions LLC – Hazardous Waste Treatment, Storage and Disposal Facility

WHAT IS THE PROPOSED ACTION?

The facility has made application to renew its state-issued Part B Permit. The current permit was issued April 4, 2003.

WHERE IS THE FACILITY?

The EnergySolutions Facility is located south of Exit 49 on Interstate 80, Tooele County, Utah.

WHAT ACTIVITIES OCCUR AT THE MIXED WASTE FACILITY?

EnergySolutions receives mixed waste for treatment, storage and disposal. Mixed waste is waste contaminated with both RCRA listed or characteristic wastes and Class A low-level radioactive constituents. These activities are regulated by R315 of the Utah Admin. Code.

WHAT IS THE PURPOSE OF THIS PERMIT?

The Permit is required in accordance with Utah Admin. Code R315 of the Utah Administrative Code. The Permit outlines the facility's operational requirements.

WHERE CAN I REVIEW

THE DRAFT PERMIT?

Copies of the draft Permit are available for review by the public during normal business hours at the Division of Solid and Hazardous Waste office located on the 2nd floor of the Multi-Agency State Office Building, 195 North 1950 West, Salt Lake City, Utah during normal business hours or other hours with prior arrangement.

The public may also review an unofficial copy of the draft Permit and other public participation information on-line at the Division's web site: (<http://www.hazardouswaste.utah.gov/>)

The on-line information can be accessed by going to the Division's web site identified above, then select "Public Notice" and clicking on the "Public Hearings & Comment Periods" menu item. Then selecting the EnergySolutions draft Permit to access all on-line information related to this permit.

HOW MAY I COMMENT ON THE DRAFT PERMIT?

A 45-day public comment period will begin on August 12, 2014 when notice is published in the Salt Lake Tribune, Deseret

Morning News and Tooele Transcript Bulletin and will end at 5:00 pm on September 26, 2014. The Division will hold a public hearing concerning this Permit on September 17, 2014 from 6:00 -7:00 pm in the Tooele City Library, 128 West Vine Street, Tooele, Utah. Public comment will be collected during the hearing. Written comments may also be submitted to:

Scott T. Anderson, Director
Division of Solid and
Hazardous Waste
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Written comments must be received no later than 5:00 pm on September 26, 2014. Comments may also be sent by electronic mail to: swpublic@utah.gov. Comments sent in an electronic format must be received by 5:00 pm on September 26, 2014 and should be identified by putting the following in the subject line: "Comments on EnergySolutions Hazardous Waste Treatment, Storage and Disposal Permit." All documents included in comments should be submitted as ASII (text) files or PDF

format.

All public comments will be considered in the Director's final decision on this draft Permit.
